

# ***Everything you need To start your own business!***

## **Quick Start Business Workshop Series:**

Quick Start is a series of six workshops for anyone who is thinking of starting a new business or has recently started a business. They are designed to provide all of the essential information for starting your own business.

The workshop series will cover the following information:

- ✓ **Overview** of materials and discussion of what it takes to start a business
- ✓ **Business Planning** and cash flow management
- ✓ **Marketing** information, branding and the need for marketing materials
- ✓ **Legal Information**, such as business entities and liabilities
- ✓ **Financial information**, record keeping, tax obligations and business banking
- ✓ **Ask an Industry Professional**: a resource panel for government programs and financing

**Registration:** The cost to attend all six workshops is \$35 and \$10 for one workshop.
