#InItTogether

About FBA

The idea of Fryeburg Business Association (FBA) was started in 2003 with the belief that businesses working together for the betterment of all in the community would be a powerful force in getting things accomplished – things that would best serve the majority rather than the few. It took years of effort but with the encouragement and support of a few dedicated individuals and businesses the Association was established in January 2010.

The Association has continued to grow stronger with community spirit and volunteerism, providing Fryeburg with new opportunities, visibility, recognition, and growth while supporting and assisting local businesses, organizations, non-profits, municipality, and community.

Members of FBA enjoy the opportunity to network with fellow business leaders and active members of the community. Community members will discover services and products they never realized were available right here in their own town. New businesses and small home-base businesses will have marketing opportunities that may not have been afforded them due to budget limitations. Larger businesses will benefit from additional visibility during the challenging times we are facing.

As our business association grows so does our opportunities for state and local funding and programs that could better our community growth and enhancements. Together we are able to give back to the community through events such as Concerts in the Park, Pumpkin People, Home-town Hero celebrations; we are able to help with such things as the Dinner Bell, The Helmet Safety Program, and Community Giving Tree; we can assist with holiday programs and events like Memorial Day, 4th of July or Thanksgiving; we can lead in efforts to promote student internship and mentor program; and we can sponsor programs like Community litter clean-up and earn the State of Maine recognition as a "Business Friendly Town."

Join us and see
what we can accomplish together!

FREE MEMBERSHIP TO ALL FRYEBURG BUSINESSES!

2020 marks the 10 year anniversary for Fryeburg Business Association. In the midst of so much hardship, diversity, and challenge we questioned what we could do that might ease some of the pain, offer support, and shine a light on unity and good. That's when we decided that 2021 we would gift [ALL](#) the businesses of Fryeburg to a membership at no cost - that's right...free! We realize that the more we work together the better the outcome, the more we can accomplish, and the stronger we are. So let's make Fryeburg Business Association an [ALL](#) inclusive association for [ALL](#) that do business in Fryeburg and stand united.

You can be as involved as little or as much as you wish. There are no requirements or expectations other than filling out your membership form and returning it to us so we can add you to the website. This will enable us to promote you and your business. The more information you give us the more we can (and will) promote you. Got a special event, sale, or service you want boosted? Let us know and we will spread the word amongst the other members and on our facebook and website. This is your association and we are here to help you grow your business. Just ask us!

FBA is run on total volunteerism. Helping others while helping yourself is a very rewarding feeling. We can only stay strong through working together so if you have a special skill and a desire to help with ideas, planning, or working on special projects and events we would love to hear from you. Maybe you have an interest in being on the Board of Directors? Let us know! And of course if you feel FBA has been good for your business and you want to help with operational expenses through a donation we would graciously welcome your contributions and all donations are tax deductible.

Whether you are a new member or an existing member, please complete the membership form and return to us ASAP. This is your association so make the most of it for your greater success!
